PP Docket No. 93-253

To: The Commission

MOTION FOR EXTENSION OF TIME

Entergy Services, Inc. ("Entergy"), through its undersigned counsel and pursuant to Section 1.46(b) of the Rules and Regulations of the Federal Communications Commission, respectfully requests an extension of time in which to file Comments and Reply Comments in the above-captioned Second Further Notice of Proposed Rule Making ("Second Further Notice").^{1/}

1/ In the Matter of Amendment of Part 90 of the Commission's Rules to Facilitate Future Development of SMR Systems in the 800 MHz Frequency Band and Implementation of Section 309(j) of the Communications Act - Competitive Bidding 800 MHz SMR, First Report and Order, Eighth Report and Order and Second Further Notice of Proposed Rule Making, released December 15, 1995, Fed. Reg. (1996).

No. of Copies rec'd
List A B C D E

024

1. Entergy, an electric utility holding company, operates an extensive land mobile radio system licensed in the 800 MHz frequency band to provide critical communications throughout its service territory which includes the State of Louisiana, almost all of the State of Arkansas, a portion of Texas and the western half of Mississippi. In developing its 800 MHz land mobile radio system, Entergy has secured channels from the General, Business, and Industrial/Land Transportation Categories. Because the General Category channels are the subject of this Second Further Notice, this proceeding directly impacts Entergy. Moreover, Entergy has been an active participant in this proceeding.

2. The Second Further Notice which establishes January 16, 1996 as the deadline for filing Comments and January 25, 1996 as the deadline for filing Reply Comments was adopted during the Commission's December 15, 1995 agenda meeting. The text of the Second Further Notice apparently was released on December 15, 1995 after 5:30 p.m. See Exhibit 1. However, it was not obvious that the text was available to the public. Copies of the News Releases of the December 15th agenda meeting were not available from ITS, the FCC's copy contractor, until close of business that day. The text did not appear in any FCC daily release, nor was there any mention that the text was available in any FCC

Daily Digest. More importantly, this rulemaking has never been published in the Federal Register.

3. Notwithstanding the fact that it was not evident that the text was available on December 15, 1995, and that Entergy did not secure it immediately upon release, the 1995 holiday season and the inclement weather have prevented Entergy from being able to adequately analyze the impact of the Second Further Notice on its existing 800 MHz system.

4. Finally, the issues presented in this rulemaking are complex and will have a significant and long-standing impact on Entergy's 800 MHz operations. Issues involving auctioning of 800 MHz spectrum and mandatory relocation and treatment of incumbents are critical to Entergy's 800 MHz system and its business plan. These issues require careful consideration, and Entergy wants to file meaningful and exhaustive Comments which it will not be in a position to do without an extension of time.

5. Based on the above circumstances, Entergy submits that it has not had proper and sufficient notice in which to respond to the Second Further Notice pursuant to Section 553(b) of the Administrative Procedure Act.

WHEREFORE THE PREMISES CONSIDERED, Entergy Services, Inc. seeks a 30-day extension of time in which to file Comments and Reply Comments in the above-captioned rulemaking proceeding. Specifically, Entergy seeks an extension until February 15, 1996 in which to file Comments and until February 26, 1996 in which to file Reply Comments.

Respectfully submitted,

ENTERGY SERVICES, INC.

Dear F.C.C. Release Client:

Today we are distributing the enclosed text, FCC 95-501, released by the FCC on December 15, 1995.

We apologize for the delay in distribution of this document. The text was released after 5:30 p.m. on the 15th; thus, we were unable to obtain a copy that day. On Monday morning, when we would have normally procured our copy, the Commission was closed due to the current government shutdown.

We finally managed to obtain a copy from another source last Friday afternoon. Your copy is attached.

Sincerely,

BERRY BEST SERVICES, LTD.
